

# The Case of the Missing Jewels

## The Crime

Ms. Fancyshmansigen was at a party on Saturday night. She came home and took her jewelry off, took a shower and went to bed. All her jewelry was there. The next day she was at home all day except for her massage at 3pm. She left around 2:30pm and got back at 4:30pm. When she came home, her room looked like some things had been moved and she noticed three pieces missing.

Crime happened between 2:30-4:30pm on Sunday.
